SEASON ANNOUNCEMENT

DON'T MISS OUT!

Renew by **April 24th** to guarantee your seats for next season!

Your renewal deadline is fast approaching and we haven't heard from you! The Louisville Orchestra greatly appreciates your continued support and we invite you to join us next season for some of our finest programming ever. Take a closer look at what this season holds:

CLASSICS

We are deeply honored to welcome violinist extraordinaire **Joshua Bell** to join us for our opening *Fanfare* celebration and invite Latin Grammy® Award-winning trumpeter **Arturo Sandoval** to close out the season in style! The Classics and Coffee concerts are designed specifically to highlight our 71 extraordinary musicians with selections from **Verdi** classics to **Tsontakis** world premieres. We are delighted to once again premiere Louisville Orchestra-commissioned pieces through gracious community support.

POPS

Our Pops span more than six decades of American music from **Mary Wilson** of the Supremes to **Kenny G**. This year, we present the season in two Louisville venues – The Louisville Palace and Kentucky Center's Whitney Hall and welcome back Principal Pops Conductor Bob Bernhardt to the podium for a concert season that promises to be larger than life!

FAMILY

Costumes, clowns and carnivals! The season's orKIDStra concerts combine fun audience-participation activities with a great introduction to classical music. From concerts filled with hijinx and hilarity to bringing *Carnival of the Animals* to life in an event that uses your help, orKIDStra events offer something for everyone!
